## In the Business of GIVING

I, \_\_\_\_\_, an athlete from \_\_\_\_\_, am “In the Business of Giving!” Through the **Free2Play** program, along with my wonderful classmates and PE teachers, I am learning about and engaging in a lifetime of fitness in order to help other kids’ health and wellbeing – those kids who are not *free to play*. The celebration of my hard work and devotion is a one-of-a-kind event – the *Adrian Freedom Festival*.

In support of my healthy efforts and the initiative of **Free2Play**, I am inviting you to the *Adrian Freedom Festival* and am humbly asking for your support and sponsorship. All funds raised will go to three organizations – Homeless Education Programs of Lenawee County, Toledo Children’s Hospital, and Not For Sale Campaign – to fight hunger, illness, and slavery so that all kids can be *free to play*!

TO DONATE (tax-deductible contributions), and for more information about **Free2Play** and the *Adrian Freedom Festival*, please go to [www.GrayInstitute.com](http://www.GrayInstitute.com) and “click” **Free2Play**. You may also go directly to the **Free2Play** site at [www.GrayInstitute.com/Free2Play.aspx](http://www.GrayInstitute.com/Free2Play.aspx).
